

Bishop B.J. Sullivan S.J. (1889-1970)

Our Founder

The College was founded in 1940 and is conducted by the Sisters of the Apostolic Carmel, an indigenous Religious Educational Body founded in 1870. Bishop B.J. Sullivan S.J., Patna, a visionary, sought their support to start a college for women in Bihar. Mother Josephine A.C., Superior General of the Congregation, responded. Consequently, the first college for women was founded in Bihar.

Our Foundress

Mother Veronica (Miss Leeves, born on October 1, 1823), Foundress of the Sisters of the Apostolic Carmel, Mangalore, deeply religious and highly intellectual, an English woman attracted by Christ, gave her entire life to God. In 1868, the Apostolic Carmel was established in Bayonne, France, and in 1870, in India. Her mission was to educate and empower the women in India.

Mother Veronica (1823 - 1906)

Saint Teresa of Avila (1515 - 1582)

Our Patroness

Saint Teresa of Avila (Spain), a Carmelite Nun, a Doctor of the Church, was one of the noblest ladies of the world. A woman for God and a woman for others, she is the Patron Saint of Patna Women's College. Her inspirational words are used as the College Anthem.

हे मानव, रूके न कदम बाधाओं से डरे न मन समस्याओं से, हे मानव । तुम्हे कुछ भी न घट पाएगा चिर सुभाग ही मिल जाएगा तजो माया विनाशकारी मिले भगवन परम सुखकारी आस्था तेरी परम सत्य है जान लो जगत ये नश्वर है मात्र ईश्वर ही सदा अचल है

Let nothing disturb thee; Let nothing dismay thee; All things pass, God never changes. Patience attains All that it strives for. He who has God Finds he lacks nothing. God alone suffices.

PATNA OMEN'S COLLEGE

The Annual Report 2018

Patna Women's College

Autonomous

Patna University

3rd Cycle NAAC Accredited at '**A**' Grade with CGPA 3.58/4 'College with Potential for Excellence' (CPE) status accorded by UGC

Introduction

Patna Women's College (PWC) is a premier institution, whose hallmark has always been Quality and Excellence. The holistic approach towards development and progress has enabled the institution to successfully face the challenge of being accredited with 'A' grade by the National Assessment and Accreditation Council (NAAC) in May 2004. The college also has recognition from UGC as a 'College with Potential for Excellence' (CPE) conferred in September 2004. In 2010, Patna Women's College received an 'A' grade at its 2nd Cycle of Accreditation with a Cumulative Grade Point Average (CGPA) of 3.51/4. In 2015 the College had the 3rd Cycle of Accreditation and received an 'A' grade with CGPA 3.58/4. NAAC extended the validity of Accreditation period for PWC from 5 years to 7 years as we are included in the High Performing Institutions of India (2017). The University Grants Commission (UGC) conferred Autonomous status to Patna Women's College on 2nd January 2018. Thereafter, Patna University notified the same in July 2018. The College having been recognised as an autonomous institution designed its syllabus as per UGC guidelines for Choice Based Credit System (CBCS) from July 2018.

The college forges ahead to face the challenges of the 21st century, explosion of information, management of knowledge, integration of Information and Communication Technology (ICT) with education, curriculum innovation, and examination reforms. This also includes establishing synergetic partnerships with industries and R&D Organizations, developing a Research Centre and creating an enterprising spirit in students.

OUR VISION

Rooted in the life, Mission and teachings of Jesus Christ and inspired by Mother Veronica, the Foundress of the Apostolic Carmel, Patna Women's College strives to become a centre of academic excellence in Higher Education, Social responsibility, and Empowerment of Women.

MISSION STATEMENT

Patna Women's College, the first College for women in Bihar, is committed to the holistic development of women so as to make an effective contribution to the creation of a better society. To this end we strive

- To become a centre of excellence in Higher Education for Women in an atmosphere of autonomy.
- To excel in teaching-learning, research and consultancy.
- To provide education that promotes capacity building and holistic development of a person.
- To offer subjects for competency building and motivate/animate a work force imbued with human values.
- To promote patriotism, communal harmony and cultural integration to maintain a free and peaceful atmosphere in the campus.
- To train the students in creative arts, social service, critical thinking, and leadership in order to make an effective contribution to the creation of a new and value based society.
- To create women leaders and to make them agents of social change.
- To develop skill oriented and value based courses, for the all-round development of individuals.
- To promote academic exchange and academiaindustry interface.
- To form young women who are 'always wise' and who will dare to 'go ahead and conquer knowledge' through, competence, commitment, delicate conscience and compassion.

Objectives

In the light of the Vision and Mission Statement, we, with our lay collaborators, lead our students to:

- nourish a deep faith in God
- relentlessly search for truth and justice
- foster an ongoing urge to reflect and act in accordance with their convictions
- think creatively and courageously face the challenges of life

- respect other faiths and foster religious harmony
- respect the rights of every individual
- cherish fidelity to their duties and responsibilities
- love their neighbour, irrespective of status, caste and creed, and live in peace and harmony
- set themselves free from socio-economic, religious, caste and gender prejudices and act as catalysts of social change
- protect, preserve and judiciously use the resources of the earth for the welfare of all
- be willing to forgive and forget the wrongs done to them
- be committed to selfless service of the economically, socially, psychologically and spiritually deprived, especially women
- be loyal to their country, prepare themselves to take leadership roles for the good of the country and of the society

Core Values

- Faith in God
- Honesty / Moral Uprightness
- Love and Forgiveness towards all
- Social Responsibility/Empowerment of the Marginalized
- Respect for Life and Creation
- Pursuit of Excellence
- Promotion of peace, harmony and brotherhood

We encourage our staff to be imbued with this same 'Vision and Mission' in the service of the glorious task of educating to the youth of our time.

We urge parents/guardians, who entrust their children to us, to share our 'Vision and Mission' and to cooperate with us in making our students a powerful force for the transformation of society. Keeping all this in mind, the students are trained in the academic subjects by a group of highly committed teachers.

Mother of Carmel, Bless your children far and near.

The Carmelite Order was founded in honour of the Virgin Mary in 1282. Our Lady of Mount Carmel is Mary who, as a Mother, looks on Carmel and on Carmelites as her own children, eager to reach the summit of Mount Carmel which is Christ. Mary is venerated as the first parent of the Carmelite family.

The Carmelite Fathers were called the **First Order** of Carmel. Then came the Institution for Carmelite Sisters (the **Second Order**), who spent their time in contemplative prayer. Being much stricter in their seclusion from the World, they could easily occupy themselves intensely with God. The Apostolic Carmel (A.C.), as a **Third Order** of our Lady of Mount Carmel was founded to love and serve God through both prayer and service for society.

The record of activities of PWC in 2018 according to the different criteria specified by NAAC.

I. CURRICULAR ASPECTS

The curricula of the mainstream subjects are framed by the University Syllabus Committee of which our teachers are members. The syllabi of the vocational/professional courses are designed by the respective faculty members of the college, and then approved by all statutory bodies of the university. However, the curricula adhere to the goals, vision, mission and academic principles of the college. They provide high quality of affordable education and all-round development of personality.

The institution deputes faculty to attend seminars, workshops and orientation programs conducted by different colleges. The university departments also enable them to undertake research projects which add to their efficiency as teachers. More than 80% of the faculty are Ph.D. holders. In 2018, the faculty produced a total of **22 research publications** in international/national/regional journals and magazines/dailies. There have been **09 publications** of books, chapter in books and proceedings of national/international seminars. The faculty has a total of **58 paper presentations** in various national/international seminars/conferences/symposia etc. the quest for research and quality improvement of the College is portrayed through the journals 'Explore' and 'IRIS', both **online** and **print**. The **high pass percentage** of students has been remarkable. CPE is a feather in our cap.

To enhance the contribution to nation-building, departments in our college have entered into various level of collaboration and linkages. Of these, two are international and a few are national: (1) Indo European Education Foundation (IEEF), Warsaw, Poland; (2) Wadhwani Operation Foundation; (3) CHRIST (Deemed to be University), Bangalore and others including Stock Exchange, Mumbai, INFLIBNET, DELNET.

The Process of Curriculum Development:

Development and Planning: The target groups and their needs are given priority while designing curricula (For example, the consideration whether it is a UG or a PG programme; whether they are from Arts, Science or Commerce background, etc). The objectives of the groups are also given focus. Duration of the programme, hours of teaching, courses (Theory as well as Practicals) offered, projects or internships if any, mode of assessment are the other concerns that arise at the departmental level.

Planning stage. Apart from the university UG and PG degrees, the college has provisions also for Add-on/Enrichment courses for which it has designed valid curricula. As many as 18 of them are UGC-aided and university-affiliated One-Year Certificate Courses with curricula prepared by our faculty and approved by the university.

Other than the chalk –talk method, is the use of ICT in classrooms which takes the students to a world beyond the syllabus. Virtual classroom, Smart classrooms, Edusat, interaction with global-level experts, etc. play an important role in curricula delivery in Patna Women's College.

This enables the students to understand their subjects, use the knowledge for various purposes, and to encourage them to think independently. This focus is achieved by providing substantial illustrations in the contemporary context.

- A teaching diary is maintained and feedback is taken from students.
- Different components of the curricula have different objectives and develop different competencies.
- Remedial classes are conducted for weak students.
- The learning experience is enhanced first of all by terminal examinations and performance in these is documented.
- Faculty members participate in national and international workshops, seminars, symposia and also present papers on different Topics. This is an endeavour to update teachers on the Latest trends in teaching and their subject matter.
- Outside-the-classroom involvement includes membership in student clubs and organizations, athletics team participation or campus leadership opportunities.

Various seminars aimed at personality development and career guidance are arranged for the students. A number of skill-oriented programmes have been formulated; resembling the UGC sponsored Add-on courses to equip students for regional as well as global employment markets. Thirty five such Self Supporting Certificate Programmes are conducted in this college by various departments. We also arrange special sessions by experts in the following skills which add to the students' employability potential: (a) Communication skills; (b) Leadership skills; (c) Team building skills; (d) Time management skills; (e) Interpersonal skills; (f) Presentation skills; and (g) Computational skills. A variety of skill development programmes facilitate academia-industry interface. The final year students, who are ready to step out into the competitive world in pursuit of employment, benefit from these programmes.

II. TEACHING-LEARNING AND EVALUATION

(A) The biggest asset of an organisation is a well-motivated workforce. Our aim is to create an atmosphere for performance improvement. Despite the use of traditional teaching methods in Patna Women's College, the members of the workforce are into innovative and learning centred activities. Several strategies are employed to involve the students in the process of learning, so that they develop a critical attitude and clear comprehension while dealing with their subjects, not only inside the classroom but outside as well. Some of these activities, through which the college strives to achieve learner participation, are seminars, paper presentations, book reviews, projects, discussions, exhibitions, field trips, study tours, surveys, films, etc. Guest lectures, seminars and workshops are organized on issues selected from the curriculum to provide a holistic view to the students of their subjects and channelise their interest in matters existing beyond their books.

23rd September 2018: Launching of Ayushman Bharat Mission

'Ayushman Bharat' – a health scheme for poor families which assures a coverage of upto Rs. 5 lakh per year without paying any money at the listed private or government hospitals, was launched successfully by Shri Nitish Kumar, Chief Minister, Bihar and also a nationwide launch by Prime Minister, Shri Narendra Modi from Ranchi, Jharkhand.

The programme was held at Bapu Sabhagar, Gandhi Maidan and was attended by several notable dignitaries – Shri Ravi Shankar Prasad, Union Minister, Shri Ram Kripal Yadav, Shri Ashwini Kumar Chowbey, Shri Vijay Kumar Choudhary, Bihar Assembly Speaker, Shri Mangal Pandey, State Health Minister and many others.

More than 1.08 crore families in Bihar would be covered under the scheme, with full perseverance and complete transparency, as said by our revered Prime Minister. Also, a beneficiary from Bihar State can get the benefits even if he/she stays in Mumbai. The quantum of this scheme can be judged by the fact that the total number of beneficiaries of this scheme will

be greater than the entire population of USA, Canada and Mexico. It is a revolutionary step in the health sector of our country.

Our 15 volunteers attended the programme and were well informed by this event.

V. STUDENT SUPPORT AND PROGRESSION

PWC aims to provide opportunities to its students for a multi-dimensional growth of personality. Consequently, it has a system in place through which the students progress not only in academics but also in the emotional and spiritual quotient. The college has a Student Cabinet which is elected through a secret ballot in which all students of the senior-most batch participate. On 16.12.2017, 12 students were elected to the College Student Cabinet for the 2018–19 session and they took oath on 29.01.2018. In 2018-2019, the Cabinet members were nominated by the Principal on 13.12.2017. The Student Cabinet has the responsibility to plan and execute extra-curricular activities under the guidance of the Principal and the Coordinators for college activites. The three teacher coordinators, Dr. Shefali Roy, Sister Tanisha A.C. and Dr. Punam Kumari, supervise the cultural events prepared by the students. The Student Cabinet also helps the Principal and the staff in matters of discipline and execution of activities. The student–teacher interaction is very fruitful inside the classrooms and outside too, with regard to curricular, extra–curricular and co-curricular activities of the college.

Information is given to the students periodically about the college rules, library rules, terminal and final examinations. The students have to produce leave applications duly signed by them and by their guardians, if they absent themselves from classes/college. This is checked and signed by the Heads of the Departments concerned.

(i) Guidance and Counselling Unit

The Department of Psychology brings experts counselling to deliver lectures as part of group counselling and individual counselling. Each teacher in the Psychology Department is a mentor of 8–10 students. They also provide counselling to students of other departments. (iv) Student Participation and Activities

After the student cabinet is elected, an oath-taking ceremony is held, which is a solemn occasion as the members pledge to render sincere service to the college. They arrange and conduct extra-curricular programmes throughout the year. The College prepares special functions to mark the important days on the calendar – International Women's Day, Independence Day, Republic Day, World Literacy Day, Human Rights Day, etc. These programmes are in the form of cultural items, human chains, slogan writing, poster making or essay contests and attending talks, seminars and workshops within the college and outside.

(v) Physical Education and Sports

A healthy mind resides in a healthy body is the principle that is followed in the college, and great encouragement is given to sports. The College has facilities for outdoor games like Kho-Kho, Basketball, Badminton, Volleyball, Throwball, Cricket, etc., and also for indoor sports like Carrom, Table Tennis, Chess, etc. The Annual Sports Day is organized on a big scale, with athletic events and colourful drill displays.

While the participants are given a chance to display their talents on the college ground and win recognition and awards, they are also encouraged to take part in district, state and national sports' meets. T.A., D.A. are given when students participate in outstation events.

VI. GOVERNANCE, LEADERSHIP AND MANAGEMENT

Patna Women's College is the first institution of higher learning to be established to cater to the educational needs of women in Bihar. The mission of the college is to empower young women through their holistic development. The organization and management of the college is guided by this vision and mission. The institution functions through a multi-tier system of organization. This includes:

- The Management Apostolic Carmel Educational Society
- The Governing Body
- The Principal
- The Staff: Teaching and Non-Teaching
- The Academic and Administrative Departments
- The Student Cabinet
- The Associations, Committees and Cells.

An important body, the Internal Quality Assurance Cell (IQAC) has been constituted according to the guidelines given by NAAC. It is a 13 member cell. The IQAC actively plans, monitors and coordinates quality in the multifarious functions of the institution, which includes teaching, learning, research and extension service.

The Governing Body of the college is strictly vigilant and performs a supervisory role in the governance of the institution.

The numerous and varied activities of the college related to administration, teaching, research, co-curricular, extra-curricular and extension are carried out at various levels consisting of the academic and administrative departments, the Student Cabinet and the various committees and cells. The Principal functions at the head as well as the overall coordinator and centre of authority. Meetings of teaching and non-teaching staff are held at regular intervals to ensure smooth functioning. Meetings of the Student Cabinet are also organized regularly to plan and execute the policies regarding discipline, and to organize extra-curricular activities. Specially constituted committees oversee the programme for which they are responsible. Two teacher—coordinators supervise the cultural functions of the college. The Research Committee supervises and regulates student research activities and the PWC Research Journals, and the Annual Report Committee is in charge of the functioning and publication of the Annual Report of the college.

Meetings at the department-level are also held regularly to assess, monitor, plan and execute matters. The Principal interacts with large bodies of students at the General Assembly held periodically.

The support staff is brought within the framework of the organization through a demarcation of duties, and great stress is laid on team work, efficiency and management.

The work efficiency of the teaching staff is developed through seminars and orientation programmes related to teaching, learning and quality enhancement.

VII. INNOVATIONS AND BEST PRACTICES

Keeping in mind the global requirements, PWC introduces and develops programmes which enable students to compete and excel. As we are to send our students out into a world fully connected through information and communication technologies, we keep ourselves open to new and innovative programmes. The institution provides an over-all climate conducive to learning, with an industry-oriented syllabus and competent teachers. The aim is to build a new world order where there is peace and justice. Certain programmes are conceived keeping in mind the global market needs. The syllabus is framed, regulations are worked out and approved by the management and then by the statutory bodies of the university.

The IQAC conducts a 'Dry run' to the departments annually to interact, guide and record academic growth. This system propels the college to move forward and scale greater heights of all-round excellence and expansion.

Through MVDF, Patna Women's College facilitates socially and economically disadvantaged students. This year 50 students benefitted from this project. They learn communication skills, life skills, IT skills and personality development.

The College has given special attention to SC / ST, BC / OBC students. The table given below shows their strength.

College Alumni Meet			on	13.05.2018

The interaction at these meets resulted in forging a better understanding of the students' needs and background, and has led to the establishment of more cordial relations between the parents and the teachers. Both the alumni and parents provided us with a long list of ex-students and the positions they hold in society. Besides, the parent-teacher meet, the Principal at the time of admission of their wards, meets parents and this has always proved to be very fruitful.

Earning while learning: Many of our students earn while they continue their study in the college. The mode of earning includes part-time teaching, giving tuitions, writing for newspapers, freelancing, reporting and anchoring, working at call centres, etc. The break-up of the number of students who earn while they learn is given below.

Department of Urdu

The Department of Urdu, counted as one among the oldest departments, has seen over the past years hundreds of students pass through its portals with enriched knowledge.

The aim of the department is primarily to guide and counsel the individual students in the way best suited to them. The students have performed impressively well, year after year.

Department of Philosophy

The department aims at the holistic development of its students. Besides imparting knowledge of the subject, various co-curricular and extra-curricular activities are organized in the department, like, seminars, speech contests, slogan-cum-poster competition, quiz, debate, guest lectures, mehndi competition, etc. A distinctive feature of the department is that every day one student reads out an ethical or religious thought of saints and philosophers. Under the CPE scheme, research projects on important social issues are undertaken by students every year.

The department also conducts UGC recognized career oriented Add-on Certificate, Diploma and Advanced Diploma courses in Applied Yoga. Many students are among the top 10 rank-holders in the university. Four students of the Department have qualified UGC NET-2018 Examination. The students also render community service by creating awareness on important issues related to health, education and economic upliftment. The department also celebrates some important days like Swami Vivekananda Jayanti, International Yoga Day, World Philosophy Day, etc. The department has also conducted a UGC Sponsored National Seminar, ICPR sponsored periodic lecture series and aims to conduct more seminars in future.

Department of History

The Department of History, established as long ago as 1950, has come a long way. It has crossed several milestones in both curricular and co-curricular activities.

The presence of competent and devoted teachers has contributed to the incorporation of the latest teaching-learning methods. They are actively involved in research work, participation in various national and international seminars, presentation of research papers and their subsequent publication. They have also contributed significantly to the preparation of course materials.

This big department, with around 300 students, has excelled over the years in curricular activities. Almost all of the first 10 positions in the B.A. Final Year History Honours examinations, conducted by the Patna University, are bagged by the students of this department year after year.

Many of its graduates have qualified in UPSC, BPSC, NET, Banking and other National level examinations, bringing laurels to the Department and College.

From time to time, the Department has organized various seminars, conferences, guest lectures and talks, marking the significance of special days, such as, National Youth Day, Independence Day and so on.

Excelling equally in co-curricular activities, the students have participated in various international and national events, such as, the All India Essay Writing event organized by United Nations Information Centre for India and Bhutan, and Essay Writing Competition, organized by the LIC and the students of History Department have won prizes.

Besides, the students of the Department have participated enthusiastically in debates, elocutions, poster making, PP presentations, sports events and dance competitions (Shrawani Dance, Holi Dance) conducted at the Departmental, College and State levels and they have won awards.

Most importantly, the Department has been socially responsible, on both the teacher and student fronts. Its teachers have, from time to time, provided economic support to the underprivileged students. The formers' visits to Remand Homes have shown their deep concern for the 'not so fortunate' ones of the society. The students too, bearing empathy towards such people, regularly visit the Remand Home to provide educational help to the students of Classes X and XII. They also provide remedial classes for the underprivileged children of various government schools in the Literacy Centre run by the Inter College Women's Association (ICWA) in the Patna Women's College campus.

Both teachers and students have taken initiative to interact with and educate the children of the rag pickers, marking the initiation of such a project in the College.

Department of Geography

The Department of Geography, one of the Star Departments of the College is blessed with a team of efficient and dedicated teachers who have been making every effort to enable the students to acquire the competitive edge that they require in the present-day circumstances.

The teaching-learning is up to date and contemporary, with increased use of ICT techniques. The teachers are actively contributing to the research arena. All the teachers are involved in research work. They participate and present research papers in national and international seminars and also publish articles in reputed journals.

Beside the regular course, the Department of Geography is conducting an inter-disciplinary credit-based Add-on certificate course on 'Travel and Tourism Management'. In anticipation of World Tourism Day, the department organised a Tourism Quiz at the college-level on 27.09.2018. We have shown our social responsibility by undertaking 'Manthan' - an outreach programme. Under this programme, the students of the department provide remedial teaching to the Dalit children at an NGO 'Manthan' run by Jesuit priests. The staff and students of 'Manthan' were brought to Patna Women's College for a Christmas *Milan*.

The Coat of Drms

The Coat of Arms represents the nature of the dedication of the Carmelite Sisters to Women's Education. It has (i) a book and a hand, (ii) a cross with a Patli creeper, (iii) a shield, a cross and three stars. The book and the hand in the coat of arms are those of Saint Teresa of Avila (Spain), the Patron Saint of Patna Women's College.

The cross is a symbol of hope in times of suffering. The creeper encircling the cross is the Patli creeper, which is of this place, Patliputra. The creeper clinging to the cross tells us that it was with great difficulty that this College was built, that we must not leave unfinished any work because of obstacles and that knowledge gained from books is second hand knowledge. It is experience gained through difficulties that matures a person.

The third symbol (shield, cross, stars) is that of the Carmelite Order to which the Sisters of this College belong. The shield like mountain is Mount Carmel in Palestine over looking the Mediterranean Sea, hence the blue background. Mount Carmel stands for stability and power, the symbol of God's steadfast love. A cross on the summit of the mountain is the distinctive mark of the Carmelites. The two stars on either side of the cross represent the Greek and Latin eras through which the Order has survived. The star in the centre symbolises Mary whose protection the Carmelites seek. Below the symbols is the motto: 'Always Wise' (Latin: Semper Sapientiae)

The College Flag

The College has a flag with a cream background having an exclusive coat of arms of its own in the centre and the name Patna Women's College written below the coat of arms. The cream colour symbolises discipline and simplicity.
