

The Annual Report 2019

Mother Veronica (1823 – 1906)

OUR FOUNDRESS

Mother Veronica (Miss Sophie Leeves, born on October 1, 1823), Foundress of the Sisters of the Apostolic Carmel, Mangalore, Karnataka, India, was deeply religious and highly intellectual, an English woman attracted by Christ, gave her entire life to God. In 1868 the Apostolic Carmel was established in Bayonne, France, and in 1870, in India. Her mission was to educate and empower the women in India.

Bishop B.J. Sullivan S.J. (1889 – 1970)

OUR FOUNDER

The College was founded in 1940 and is conducted by the Sisters of the Apostolic Carmel, an indigenous Religious Educational Body founded in 1870. Bishop B.J. Sullivan S.J., Patna, a visionary, sought their support to start a College for women in Bihar. Mother Josephine A.C., the then Superior General of the Congregation, responded. Consequently the first College for women was founded in Bihar.

Saint Teresa of Avila (1515 – 1582)

OUR PATRONESS

Saint Teresa of Avila (Spain), a Carmelite Nun, the Doctor of the Church was one of the noblest ladies of the world. A woman for God and a woman for others, she is the patron saint of Patna Women's College. Her inspirational words are used as the College Anthem.

हे मानव, रूके न कदम बाधाओं से डरे न मन समस्याओं से, हे मानव। तुम्हें कुछ भी न घट पाएगा चिर सुभाग ही मिल जाएगा तजो माया विनाशकारी मिले भगवन परम सुखकारी आस्था तेरी परम सत्य है और विश्वास तुझपे अटल है जान लो जगत ये नश्वर है मात्र ईश्वर ही सदा अचल है

Let nothing disturb thee; Let nothing dismay thee; All things pass, God never changes. Patience attains All that it strives for. He who has God Finds he lacks nothing. God alone suffices.

Patna Women's College

Autonomous PATNA UNIVERSITY

3 Cycle NAAC Accredited at 'A' Grade with CGPA 3.58/4 'College with Potential for Excellence' (CPE) status accorded by UGC

Bailey Road, Patna - 800 001, Bihar, India

The **Annual Report** 2019

PATNA WOMEN'S COLLEGE (Autonomous) is a premier institution, whose hallmark has always been Quality and Excellence. It was the first institution of higher learning opened to cater to the educational needs of women in Bihar. Bishop Sullivan, the founder, named it Patna Women's College and presented it as a gift to the Women of Bihar, thereby placing at their disposal an opportunity for higher education.

The College was granted the status of Degree College in July 1941. In the year 1952, a Special Status was given by the Government of Bihar and it became a 'Constituent College' of Patna University. On 25.07.2007, the Government of Bihar officially declared Patna Women's College as a 'Religious Minority College'.

Thousands of motivated and empowered women have passed through the portals of this college and have entered various fields of life, many making a mark in our country and abroad.

The College has been accredited by NAAC with 'A' grade for three consecutive cycles with CGPA 3.51/4 in 2010 and CGPA 3.58/4 in 2015. The College also has been accorded as 'College with Potential for Excellence (CPE)' status from UGC in three phases in 2004, 2010 and 2015.

The University Grants Commission (UGC) has conferred Autonomous status to Patna Women's College in January, 2018 which was further notified by the Parent University (Patna University) in July, 2018. Choice Based Credit System (CBCS) and Semester System have been introduced in July 2018. This is the only College in the state to have taken this initiative for UG courses.

Patna Women's College (Autonomous) has remarkably distinguished it from other leading institutions through its focus on research, academic rigour and the creation of a community based on trust and mutual respect. The college provides holistic education through UGC approved undergraduate degree programmes in all the major streams of Humanities, Sciences, Commerce & Management, Education and Post Graduate degree programmes in Masters of Computer Application (MCA), Master of Arts (M.A.) in Home Science, Applied Psychology, English and Geography, Master of Science (M.Sc.) in Zoology and Post Graduate diploma courses in Fashion Designing, Advertising and Marketing Management, Computer Applications. Besides this, the college offers Career Oriented Add-on Courses in subjects like Human Resource Management (HRM), Risk and Insurance Management (RIM), Stress Management, Applied Yoga, Travel & Tourism Management, Textile Ornamentation & Home Fashion, Women's Studies, Communication & Soft Skills, Human Rights & Values in Education and Certificate Courses in Foreign Languages and Culture (German, Korean and French Language).

Our Vision

Rooted in the life, Mission and teachings of Jesus Christ and inspired by Mother Veronica, the Foundress of the Apostolic Carmel, Patna Women's College strives to become a centre of academic excellence in Higher Education, Social responsibility, and Empowerment of Women.

Mission Statement

Patna Women's College, the first College for women in Bihar, is committed to the holistic development of women so as to make an effective contribution to the creation of a better society. To this end we strive

- To become a centre of excellence in Higher Education for Women in an atmosphere of autonomy.
- To excel in teaching-learning, research and consultancy.
- To provide education that promotes capacity building and holistic development of a person.
- To offer subjects for competency building and motivate/animate a work force imbued with human values.
- To promote patriotism, communal harmony and cultural integration to maintain a free and peaceful atmosphere in the campus.
- To train the students in creative arts, social service, critical thinking, and leadership in order to make an effective contribution to the creation of a new and value based society.
- To create women leaders and to make them agents of social change.
- To develop skill oriented and value based courses, for the all-round development of individuals.
- To promote academic exchange and academiaindustry interface.
- To form young women who are 'always wise' and who will dare to 'go ahead and conquer knowledge' through, competence, commitment, delicate conscience and compassion.

Objectives

In the light of the Vision and Mission Statement, we, with our lay collaborators, lead our students to:

- nourish a deep faith in God
- relentlessly search for truth and justice
- foster an ongoing urge to reflect and act in accordance with their convictions
- think creatively and courageously face the challenges of life
- respect other faiths and foster religious harmony

- respect the rights of every individual
- cherish fidelity to their duties and responsibilities
- love their neighbour, irrespective of status, caste and creed, and live in peace and harmony
- set themselves free from socio-economic, religious, caste and gender prejudices and act as catalysts of social change
- protect, preserve and judiciously use the resources of the earth for the welfare of all
- be willing to forgive and forget the wrongs done to them
- be committed to selfless service of the economically, socially, psychologically and spiritually deprived, especially women
- be loyal to their country, prepare themselves to take leadership roles for the good of the country and of the society

Core Values

- Faith in God
- Honesty / Moral Uprightness
- Love and Forgiveness towards all
- Social Responsibility/Empowerment of the Marginalized
- Respect for Life and Creation
- Pursuit of Excellence
- Promotion of peace, harmony and brotherhood

We encourage our staff to be imbued with this same 'Vision and Mission' in the service of the glorious task of educating the youth of our time.

We urge parents/guardians, who entrust their children to us, to share our 'Vision and Mission' and to cooperate with us in making our students a powerful force for the transformation of society. Keeping all this in mind, the students are trained in the academic subjects by a group of highly committed teachers.

Mother of Carmel, Bless your children far and near.

The Carmelite Order was founded in honour of the Virgin Mary in 1282. Our Lady of Mount Carmel is Mary who, as a Mother, looks on Carmel and on Carmelites as her own children, eager to reach the summit of Mount Carmel which is Christ. Mary is venerated as the first parent of the Carmelite family.

The Carmelite Fathers were called the First Order of Carmel. Then came the Institution for Carmelite Sisters (the Second Order), who spent their time in contemplative prayer. Being much stricter in their seclusion from the World, they could easily occupy themselves intensely with God. The Apostolic Carmel (A.C.), as a Third Order of our Lady of Mount Carmel was founded to love and serve God through both prayer and service for society.

The record of activities of PWC in 2019 according to the different criteria specified by NAAC.

I. **CURRICULAR ASPECTS**

Afer being conferred with the Autonomus Status in 2018, the College introduced Semester System with CBCS (Choice Based Credit System) curricula. The syllabi under CBCS have been framed in all subjects based on the UGC guidelines. 'Boards of Studies' (BoS) have been constituted in all departments with the Head as the Chairperson of BoS. The faculty members of the departments, subject experts, university nominee and meritorious alumni are the other members of BoS. The syllabi under CBCS have been approved by the Boards of Studies and were presented in the Academic Council of the College. The Academic Council and Governing Body approved the Curricula / Syllabi before the implementation. The curricula adhere to the goals, vision, mission and academic principles of the college. They provide high quality of affordable education and all-round development of personality.

The institution deputes faculty to attend seminars, workshops and orientation programs conducted by different colleges. The university departments also enable them to undertake research projects which add to their efficiency as teachers. More than 80% of the faculty are Ph.D. holders. In 2019, the faculty produced a total of 40 research publications in international/national/regional journals and magazines/dailies. There have been 12 publications of books, chapter in books and proceedings of national/international seminars. The faculty has a total of 61 paper presentations in various national/international seminars/conferences/symposia etc. the quest for research and quality improvement of the College is portrayed through the journals 'Explore' and 'IRIS', both online and **print**. The **high pass percentage** of students has been remarkable. CPE is a feather in our cap.

To enhance the contribution to nation-building, departments in our college have entered into various level of collaboration and linkages. Of these, two are international and a few are national: (1) Indo European Education Foundation (IEEF), Warsaw, Poland; (2) Wadhwani Operation Foundation; (3) St. Xavier's College (Autonomous), Mumbai; (4) CHRIST (Deemed to be University), Bangalore; (5) CSIR-Indian Institute of Chemical Technology, Hyderabad; (6) King Sejong Institute, Patna and others including Stock Exchange, Mumbai, INFLIBNET, DELNET

The Process of Curriculum Development:

Development and Planning: The target groups and their needs are given priority while designing curricula (For example, the consideration whether it is a UG or a PG programme; whether they are from Arts, Science or Commerce background, etc). The objectives of the groups are also given focus. Duration of the programme, hours of teaching, courses (Theory as well as Practicals) offered, projects or internships if any, mode of assessment are the other concerns that arise at the departmental level.

Planning stage. Apart from the university UG and PG degrees, the college has provisions also for Addon/Enrichment courses for which it has designed valid curricula. As many as 18 of them are UGC-aided and university-affiliated One-Year Certificate Courses with curricula are prepared by our faculty and approved by the university.

Other than the chalk -talk method, is the use of ICT in classrooms which takes the students to a world beyond the syllabus. Virtual classroom, Smart classrooms, Edusat, interaction with global-level experts, etc. play an important role in curricula delivery in Patna Women's College. This enables the students to understand their subjects, use the knowledge for various purposes, and to encourage them to think independently. This focus is achieved by providing substantial illustrations in the contemporary context.

- A teaching diary is maintained and feedback is taken from students.
- Different components of the curricula have different objectives and develop different competencies.
- Remedial classes are conducted for weak students.
- The learning experience is enhanced first of all by terminal examinations and performance in these is documented.
- Faculty members participate in national and international workshops, seminars, symposia and also present papers on different topics. This is an endeavour to update teachers on the Latest trends in teaching and their subject matter.
- Outside-the-classroom involvement includes membership in student clubs and organizations, athletics team participation or campus leadership opportunities.

Various seminars aimed at personality development and career guidance are arranged for the students. A number of skill-oriented programmes have been formulated; resembling the UGC sponsored Add-on courses to equip students for regional as well as global employment markets. Thirty five such Self Supporting Certificate Programmes are conducted in this college by various departments. We also arrange special sessions by experts in the following skills which add to the students' employability potential: (a) Communication skills; (b) Leadership skills; (c) Team building skills; (d) Time management skills; (e) Interpersonal skills; (f) Presentation skills; and (g) Computational skills. A variety of skill development programmes facilitate academia-industry interface. The final year students, who are ready to step out into the competitive world in pursuit of employment, benefit from these programmes.

II. TEACHING-LEARNING AND EVALUATION

(A) The biggest asset of an organisation is a well-motivated workforce. Our aim is to create an atmosphere for performance improvement. Despite the use of traditional teaching methods in Patna Women's College, the members of the workforce are into innovative and learning centred activities. Several strategies are employed to involve the students in the process of learning, so that they develop a critical attitude and clear comprehension while dealing with their subjects, not only inside the classroom but outside as well. Some of these activities, through which the college strives to achieve learner participation, are seminars, paper presentations, book reviews, projects, discussions, exhibitions, field trips, study tours, surveys, films, etc. Guest lectures, seminars and workshops are organized on issues selected from the curriculum to provide a holistic view to the students of their subjects and channelise their interest in matters existing beyond their books.

V. STUDENT SUPPORT AND PROGRESSION

PWC aims to provide opportunities to its students for a multi-dimensional growth of personality. Consequently, it has a system in place through which the students progress not only in academics but also in the emotional and spiritual quotient. The college has a Student Cabinet which is elected through a secret ballot in which all students of the senior-most batch participate. On 07.01.2019, 12 students were elected to the College Student Cabinet for the 2019-20 session and they took oath on **29.01.2018.** In 2019-2020, the Cabinet members were nominated by the Principal on **12.01.2019**. The Student Cabinet has the responsibility to plan and execute extra-curricular activities under the guidance of the Principal and the Coordinators for college activites. The three teacher coordinators, Sister Tanisha A.C., Ms. Papita Dey Biswas (Enakshi) and Ms. Samiksha, supervise the cultural events prepared by the students. The Student Cabinet also helps the Principal and the staff in matters of discipline and execution of activities. The student-teacher interaction is very fruitful inside the classrooms and outside too, with regard to curricular, extra-curricular and co-curricular activities of the college.

Information is given to the students periodically about the college rules, library rules, terminal and final examinations. The students have to produce leave applications duly signed by them and by their guardians, if they absent themselves from classes/college. This is checked and signed by the Heads of the Departments concerned.

Guidance and Counselling Unit (i)

The Department of Psychology brings experts in counselling to deliver lectures as part of group counselling and individual counselling. Each teacher in the Psychology Department is a mentor of 8-10 students. They also provide counselling to students of other departments. The Counselling Cell has helped out many of our students who were undergoing stress.

(ii) Placement and Career Counselling Cell

The Placement and Career Counselling Cell of Patna Women's College organizes pre-placement talk and regular campus recruitment for the students of the college. Dr. Debjani Sarkar Ghose, Dr. Sahar Rahman and Mr. Alok John are the Placement Officers who are in charge of placement activities.

(iv) **Student Participation and Activities**

After the student cabinet is elected, an oath-taking ceremony is held, which is a solemn occasion as the members pledge to render sincere service to the college. They arrange and conduct extra-curricular programmes throughout the year. The College prepares special functions to mark the important days on the calendar - International Women's Day, Independence Day, Republic Day, World Literacy Day, Human Rights Day, etc. These programmes are in the form of cultural items, human chains, slogan writing, poster making or essay contests and attending talks, seminars and workshops within the college and outside.

(v) Physical Education and Sports

A healthy mind resides in a healthy body is the principle that is followed in the college, and great encouragement is given to sports. The College has facilities for outdoor games like Kho-Kho, Basketball, Badminton, Volleyball, Throwball, Cricket, etc., and also for indoor sports like Carrom, Table Tennis, Chess, etc. The Annual Sports Day is organized on a big scale, with athletic events and colourful drill displays.

While the participants are given a chance to display their talents on the college ground and win recognition and awards, they are also encouraged to take part in district, state and national sports' meets. T.A., D.A. are given when students participate in outstation events.

VI. GOVERNANCE, LEADERSHIP AND MANAGEMENT

Patna Women's College is the first institution of higher learning to be established to cater to the educational needs of women in Bihar. The mission of the college is to empower young women through their holistic development. The organization and management of the college is guided by this vision and mission. The institution functions through a multi-tier system of organization. This includes:

- The Management Apostolic Carmel Educational Society
- The Governing Body
- The Principal
- The Staff: Teaching and Non-Teaching
- The Academic and Administrative Departments
- The Student Cabinet
- The Associations, Committees and Cells.

An important body, the Internal Quality Assurance Cell (IQAC) has been constituted according to the guidelines given by NAAC. It is a 13 member cell. The IQAC actively plans, monitors and coordinates quality in the multifarious functions of the institution, which includes teaching, learning, research and extension service.

The Governing Body of the college is strictly vigilant and performs a supervisory role in the governance of the institution.

The numerous and varied activities of the college related to administration, teaching, research, cocurricular, extra-curricular and extension are carried out at various levels consisting of the academic and administrative departments, the Student Cabinet and the various committees and cells. The Principal functions at the head as well as the overall coordinator and centre of authority. Meetings of teaching and non-teaching staff are held at regular intervals to ensure smooth functioning. Meetings of the Student Cabinet are also organized regularly to plan and execute the policies regarding discipline, and to organize extra-curricular activities. Specially constituted committees oversee the programme for which they are responsible. Two teacher-coordinators supervise the cultural functions of the college. The Research Committee supervises and regulates student research activities and the PWC Research Journals, and the Annual Report Committee is in charge of the functioning and publication of the Annual Report of the college.

Meetings at the department-level are also held regularly to assess, monitor, plan and execute matters. The Principal interacts with large bodies of students at the General Assembly held periodically.

The support staff is brought within the framework of the organization through a demarcation of duties, and great stress is laid on team work, efficiency and management.

The work efficiency of the teaching staff is developed through seminars and orientation programmes related to teaching, learning and quality enhancement.

VII. INNOVATIONS AND BEST PRACTICES

Keeping in mind the global requirements, PWC introduces and develops programmes which enable students to compete and excel. As we are to send our students out into a world fully connected through information and communication technologies, we keep ourselves open to new and innovative programmes. The institution provides an over-all climate conducive to learning, with an industryoriented syllabus and competent teachers. The aim is to build a new world order where there is peace and justice. Certain programmes are conceived keeping in mind the global market needs. The syllabus is framed, regulations are worked out and approved by the management and then by the statutory bodies of the university.

The IQAC conducts a 'Dry run' to the departments annually to interact, guide and record academic growth. This system propels the college to move forward and scale greater heights of all-round excellence and expansion.

Institutional Support for Faculty Development

The College has taken up various steps to support the faculty and staff members. Faculty Development Programmes are conducted during every academic session in form of workshops, motivational talks and orientations. Financial assistance and duty leaves are provided to the faculty members for participating in national/international / seminars / workshops. The faculty members are always encouraged for completing online orientation/refresher programmes, such as ARPIT and SWAYAM. Awards have been instituted in the fields of academic excellence and research activities. For the quality research work computers, laptops and free Wi-Fi connectivity have been provided.

Institutional Social Responsibility (ISR)

- 1. Mother Veronica Development Foundation (MVDF): Under the ISR the College has MVDF, a programme that facilitates socially and economically disadvantaged meritorious students. They learn communication skills, life skills, IT skills and personality development through MVDF.
- 2. Inter College Women's Association-ICWA: After Care Home for Women and the Boys of Remand Home are given Vocational Training under the ICWA.
- 3. Literacy Project under Inter College Women's Association (ICWA): The student volunteers and teachers run several literacy centres where the slum children are provided tuition and remedial teaching.
- **4. Joy of Giving Week (JGW)**: It is a philanthropic event that reaches out to several disadvantaged people of our society. Every year the first week of October is observed as the 'Joy of Giving Week'. During this period the students and teachers joyfully contribute in form of cash and different types of commodities to be given out to the marginalized sections of our society.
- 5. Manthan Project (MP): The Staff and students of PWC render their service to tutor the Mahadalit Children at 'Manthan' NGO, Khagaul on various subjects and prepare them for Board exams.
- 6. Environment Conservation Outreach (ECO) Task Force: It is a student Body of the College working for environmental education, protection and security.

Entrepreneurship Promotion

The objective of Entrepreneurship Promotion is to inspire and work with aspiring entrepreneurs to shape up business ideas into commercial start-up companies. Under the guidance of diligent and experienced faculty, candidates learn the dynamic process of business development and how to survive in their early stage. In addition, the institution also provides infrastructural support i.e. office space, meeting room to the candidates. At every step, the individuals are mentored and nurtured for their acquiescent business ideas.

Earning while learning: Many of our students earn while they continue their study in the college. The mode of earning includes part-time teaching, giving tuitions, writing for newspapers, freelancing, reporting and anchoring, working at call centres, etc. The break-up of the number of students who earn while they learn is given below.

CONCLUSION

Date: 31.12.2019

Reading through the pages of this Annual Report, one realises that Patna Women's College is truly rich in tradition. In many respects, especially in the area of PG courses, we are small in size, but rich in spirit, broad in academic challenges, high in expectations, innovative in approach, diverse in opportunities, unparalleled in commitment.

Thanks are due to all the staff and students of Patna Women's College for their active participation in all the curricular and extra-curricular activities. We appreciate their hard work, loyalty and commitment.

Department of Urdu

The Department of Urdu, counted as one among the oldest departments, has seen over the past years hundreds of students pass through its portals with enriched knowledge.

The aim of the department is primarily to guide and counsel the individual students in the way best suited to them. The students have performed impressively well, year after year.

Department of Philosophy

The department aims at the holistic development of its students. Besides imparting knowledge of the subject, various co-curricular and extra-curricular activities are organized in the department like seminars, speech contests, slogan-cum-poster competition, quiz, debate, guest lectures, mehndi competition, etc. A distinctive feature of the department is that every day one student reads out an ethical or religious thought of saints and philosophers. Under the CPE scheme, research projects on important social issues are undertaken by final year students every year.

The department also conducts UGC recognized career oriented Add-on Certificate, Diploma and Advanced Diploma courses in Applied Yoga. Many students are among the top 10 rank-holders in the university. One student of the Department has qualified UGC NET-2019 Examination. The students also render community service by creating awareness on important issues related to health, education and economic upliftment. The department also celebrates some important days like Swami Vivekananda Jayanti, International Yoga Day, World Philosophy Day, etc. The department has also conducted a UGC Sponsored National Seminar, ICPR sponsored periodic lecture series and aims to conduct more seminars in future.

Department of History

The Department of History, established in 1941, has come a long way. It has crossed several milestones in both curricular and co-curricular activities.

The presence of competent and devoted teachers has contributed to the incorporation of the latest teachinglearning methods. They are actively involved in research work, participation in various national and international seminars, presentation of research papers and their subsequent publication. They have also contributed significantly to the preparation of course materials.

This department with more than 300 students, has excelled over the years in curricular activities. Almost all of the first 10 positions in the B.A. Final Year History Honours examinations, conducted by the Patna University, are bagged by the students of the department.

Many of its graduates have qualified in UPSC, BPSC, NET, Banking and other National level examinations, bringing laurels to the Department and College.

From time to time, the Department has organized various seminars, conferences, guest lectures and talks, marking the significance of special days, such as, National Youth Day, Independence Day and so on.

Excelling equally in co-curricular activities, the students have participated in various international and national events, such as, the All India Essay Writing event organized by United Nations Information Centre for India and Bhutan, and Essay Writing Competition, organized by the LIC and they have won prizes.

Besides, the students of the Department have participated enthusiastically in debates, elocutions, poster making, PP presentations, sports events and dance competitions (Shrawani Dance, Holi Dance) conducted at the Departmental, College and State levels and have won awards.

Most importantly, the Department has been socially responsible, both the teacher and student fronts. From time to time, teachers and the students organized mentoring sessions and counselling sessions and provided economic support to the underprivileged students. The students' visits to Remand Homes have shown their deep concern for the 'not so fortunate' ones of the society. The students too, bearing empathy towards such people, regularly visit the Remand Home, Patna to provide educational help to the students of Classes X and XII. They also provide remedial classes for the underprivileged children of various government schools in the Literacy Centre run by the Inter College Women's Association (ICWA) in the Patna Women's College campus.

Both teachers and students have taken initiative to interact with and educate the children of the rag pickers, marking the initiation of such a project in the College.

In 2013 MCA Programme started in Patna Women's College, with a goal to prepare students for productive careers in technological research, software industries, banking and other related sectors. In 2015 the course was approved by All India Council for Technical Educational (AICTE). The duration of the course is 3 years i.e. 6 semesters and the no. of seats as approved by AICTE is 60. The main aim is to make the students competent software professionals to meet the demands of the fast growing IT industry at the national and also at the global level. The course emphasizes the applications of software technology to solve various scientific, commercial, networking and computing problems. After the successful completion of this course, students could get a wide range of jobs in various multinational companies, private sectors, government organizations, banks etc. The Department of MCA has a virtual classroom cum lab with Video Conferencing facility for adding a new dimension in the field of knowledge dissemination. It also has spacious and well ventilated classrooms for conducting theory classes. The department lab is equipped with more than 100 computers with Wi-Fi connectivity and high speed Internet leased line connection. A rich departmental library having more than thousand books and 100 educational CDs on various computer subjects for reference work and research activities. To facilitate learning the department is well equipped with other gadgets like Laptops, Scanner, Printers. The Department of MCA has well qualified regular faculty as well as visiting faculty from renowned institutions. Regular monitoring of students are done through Mid-Term examination, Project Presentation, Assignment evaluation and e-learning computer based tutorials. Apart from the regular course, the department also conducts two Credit Based Add-on Certificate Course (College Level) on 3D Animation & Design and Android App Development to meet the professional demand in IT industry.

The Department has organized various events for faculties and students of the College. On 30.01.2019, 'Pariksha pe Charcha 2.0' has been watched live in group. A faculty development programme on 'The Blended Learning Tools for Effective Teaching" has been organized on 02.08.2019. THE COAT OF ARMS

The Coat of Arms represents the nature of the dedication of the Carmelite Sisters to Women's Education. It has (i) a book and a hand, (ii) a cross with a Patli creeper, (iii) a shield, a cross and three stars. The book and the hand in the coat of arms are those of Saint Teresa of Avila (Spain), the Patron Saint of Patna Women's College.

The cross is a symbol of hope in times of suffering. The creeper encircling the cross is the Patli creeper, which is of this place, Patliputra. The creeper clinging to the cross tells us that it was with great difficulty that this College was built, that we must not leave unfinished any work because of obstacles and that knowledge gained from books is second hand knowledge. It is experience gained through difficulties that matures a person.

The third symbol (shield, cross, stars) is that of the Carmelite Order to which the Sisters of this College belong. The shield like mountain is Mount Carmel in Palestine over looking the Mediterranean Sea, hence the blue background. Mount Carmel stands for stability and power, the symbol of God's steadfast love. A cross on the summit of the mountain is the distinctive mark of the Carmelites. The two stars on either side of the cross represent the Greek and Latin eras through which the Order has survived. The star in the centre symbolises Mary whose protection the Carmelites seek. Below the symbols is the motto: 'Always Wise' (Latin: Semper Sapientiae)

THE COLLEGE FLAG

The College has flag with a cream background having an exclusive coat of arms of its own in the centre and the name Patna Women's College written below the coat of arms. The cream colour symbolise discipline and simplicity.
